July 16-20 It's A Jungle Out There

Join us as we visit the Rainforest and the animals that live there. It's a week of colorful art, music, animals, water, and fun! Given it is hot in the jungle, we hope that we can include water play daily.

July 23-27 Ooey, Goey, Sensory Play

Come help finish out the summer with a week of sensory play from shaving cream, playdough, clay, mud, paint, messy snacks, and more. A fun week with lots of play time included and hopefully warm weather for water play.
