

# READ-A-THON

Each February, Richmond Friends School kids embark on a month-long reading journey to sharpen their skills while raising funds for the school! No pizza sales, no wrapping paper-just donations toward their reading efforts!

Here's how it works...

- Students read books, magazine, internet articles and other materials to earn “units.”
- A “unit” is equivalent to 10 minutes of reading.
- Students ask family and friends to support their reading through pledges.
- Supporters can pledge per unit (example: \$.10 per unit) or with a one-time gift in honor of the student's efforts.
- Classrooms have special guests and take Read-A-Thon themed field trips during the month of February to keep them motivated and engaged.
- At the end of the month, students collect their remaining pledges and celebrate with their classrooms!

*Celebrate the students' effort with a gift online!*
