

All Wayne County Schools will be Closed Beginning Monday, March 16th

RICHMOND, March 13, 2020 – All schools in Wayne County will be closed beginning Monday, March 16. It is important to note that currently there are no confirmed cases of the virus within Wayne County.

Richmond Community Schools, in partnership with, Centerville-Abington Schools, Northeastern Wayne Schools, Nettle Creek Schools, Western Wayne Schools, Seton Catholic Schools, Community Christian School and Richmond Friends School, have announced they will be closed beginning March 16 and will resume school on April 13th

We believe that closing schools until April 13, 2020 is in the best interest for our students, staff and community. This will minimize any exposure in large groups and will allow plenty of time to have all buildings and buses cleaned.

This is a fluid situation. We recognize that there are many questions you may have. More information will be forthcoming from individual school districts.
