

Middle School Math Teacher

Position Title: Middle School Math Teacher

FSLA: Exempt

Reports to: Head of School

Hours: This is a part-time position/15 hours/week

Position Summary

Major responsibilities for this position include planning and implementing a math curriculum for the RFS Middle School. This teacher needs to assess and teach to the variety of ability levels of learners in the Middle School. Position requires an ability to organize students into project groups when needed and appropriate.

Qualifications

- Degree in math preferable
- Previous successful experience in teaching middle school math is highly desirable
- Interest in and support for Quaker practices and values

Selected Additional Responsibilities

- Designing clear, demonstrable academic outcomes and activity appropriate for middle school students of varying ability levels
- Partnering with middle school lead teacher in developing learning outcomes and activities designed to foster appropriate social emotional development
- Devise and implement curriculum in math that meets and /or exceeds Indiana State Standards for 7th and 8th graders
- Provide regular assessment of student progress delivered in narrative format and communicated clearly to students and parents/guardians
- Assist students with transitional plans into high school
- Participating in weekly staff meetings
- Partnering with middle school lead teacher in appropriate curricular integration

Those wishing to apply should send the following information to Steve Cleaver, Head of School, at HeadofSchool@RichmondFriendsSchool.org:

- 1) Letter of interest
- 2) Resume
- 3) Three professional references
- 4) Brief statement of educational philosophy

Applications taken on a rolling basis with preference for those received before April 18, 2022.
