

PreK-K Supply List

July 2022

Dear PreK-K Families,

I hope that you have been finding ways to have many fun and safe adventures this summer. It is hard to believe how quickly the summer days seem to be going by. To get us prepared for the upcoming school year, I have compiled a list of supplies that will be important to have ready by the start of school.

School supplies for shared use:

- Markers – 3 sets of regular Crayola markers and 3 sets of thin line Crayola markers
- 2 rolls of scotch tape
- 2 package of colored pencils
- 1 package bullet-tip whiteboard markers
- 2 boxes of tissues
- 1 bottle of hand soap

(Crayola are preferable as they seem to have longer shelf lives over other brands ☺)

Personal supplies –please label all items with your child's name

- 1 pocket folder (any color or images)
- 3 spiral notebooks with lined paper - 8 1/2" by 11"
- A labeled water bottle that will stay at school
- A complete change of clothing placed in a labeled plastic bag.
- A Backpack (large enough to fit an upright 8 1/2" x 11" piece of paper, or larger)
- A Lunch Box
- **A photograph of you and your family for display.**

Please be on the lookout for further communications from me, and the School.

Please don't hesitate to contact me if you have questions.

Enjoy the rest of your summer. I look forward to seeing you in August!

-Aaron

3rd-4th Grade Classroom Supply List

-1 ream copy paper

-1 box tissues

-1 package of at least 4 dry erase markers to donate to the classroom. If students want their own, please bring a second package for them to keep in their cubby.

-2 old socks or cloths to be used as dry erase markers (cheap cotton work gloves also work well)

-1 box of pencils

- 1 package of erasers to go on the end of your pencils.

-1 box of markers (thick or thin, your choice)

-2 glue sticks

-5 pocket folders

-2 sheets of poster board

- 1 composition notebook for Spanish, last year's is fine

- 1 ruler with inches and centimeters

Optional items:

-pencil box: Each student will have a plastic bin supplied by the school, but a pencil box to go inside that can be helpful.

-ear buds: The classroom has headphones , but if you prefer your own personal ear buds you can bring those.

- scissors: There are scissors in the classroom, but not enough for every student.

Feel free to keep using notebooks, folders, etc. from last year. They don't need to be new as long as they have plenty of blank pages. There are colored pencils and crayons.

Classroom Supply List for the 5th-6th Grade Class 2022 to 2023 School Year

All these items should be brought on the first day of school rather than dropped off on the workday before school officially starts or on some random day during the summer.

1. 2 composition books (the stitch bound type) with graph paper inside for math work. Ordering online is sometimes faster than trying to find these locally, but it is not impossible
2. A ream of copy paper- that means 500 sheets- high recycled content is encouraged.
3. Either a pack of magic markers and/or colored pencils for personal use (whichever the student prefers) in a container marked with the student's name. If they are from this past year, make sure they still work.
4. 2 boxes of unused tissues for communal use. The unused part is a joke.
5. 100 3" X 5" note cards, the kind with lines on one side and no lines on the reverse.
6. 2 glue sticks.
7. A backpack to safely transport work and books to and from home.
8. 3 lined composition books- the stitched-up type with lined paper- but feel free to buy the cheapest with a good, hard cover. They are for my class, Spanish, and music. Spanish and music composition books from last year can be used for the coming year. Those lucky students will only need 1 new composition book.
9. A roll of masking tape. The wider the roll, the better. Seriously, students get excited about wide masking tape.
10. One trifold 36" X 48" cardboard poster. The student's name should be written on the back.
11. Students have headphones provided for computer use in class, but students may bring in a pair for personal use that will NEVER be shared with peers. If a pair is brought to class, it should remain in class and not be brought back and forth from home to school each day.
12. One bottle of hand soap to use for the cleaning of hands. Water will be provided by the sink.
13. Two pocket-folders for Spanish and music for keeping track of handouts and homework. Plastic lasts the whole year. Paper folders sometimes have to be replaced.
14. A bunch of pencils, say, 24. I might ask for some more halfway through the year. If you bring 48 at the beginning of the year, I promise I will not ask for more later in the school year. These are for communal use as needed.
15. One bottle of rubber cement.
16. One package (100 sheets) of lined paper. Wide-ruled is better than college-ruled paper.
